PUNE INSTITUTE OF COMPUTER TECHNOLOGY

Department of Electronics and Telecommunication

Engineering (E&TE)

A. Y. 2022-23 Semester-I

INSTITUTE VISION

Pune Institute of Computer Technology aspires to be the leader in higher technical education and research of international repute.

INSTITUTE MISSION

To be leading and most sought after Institute of education and research in emerging engineering and technology disciplines that attracts, retains and sustains gifted individuals of significant potential.

DEPARTMENT VISION

To be a distinguished center for nurturing the holistic development of globally competent young engineers and researchers in the field of Electronics and Telecommunication Engineering.

DEPARTMENT MISSION

To inculcate and stimulate Electronics and Telecommunication expertise by adopting to global innovative educational and research practices to create dynamic engineering professionals with enhanced technical skill set and hence global acceptability.

WORKSHOPS AND SYMPOSIUMS

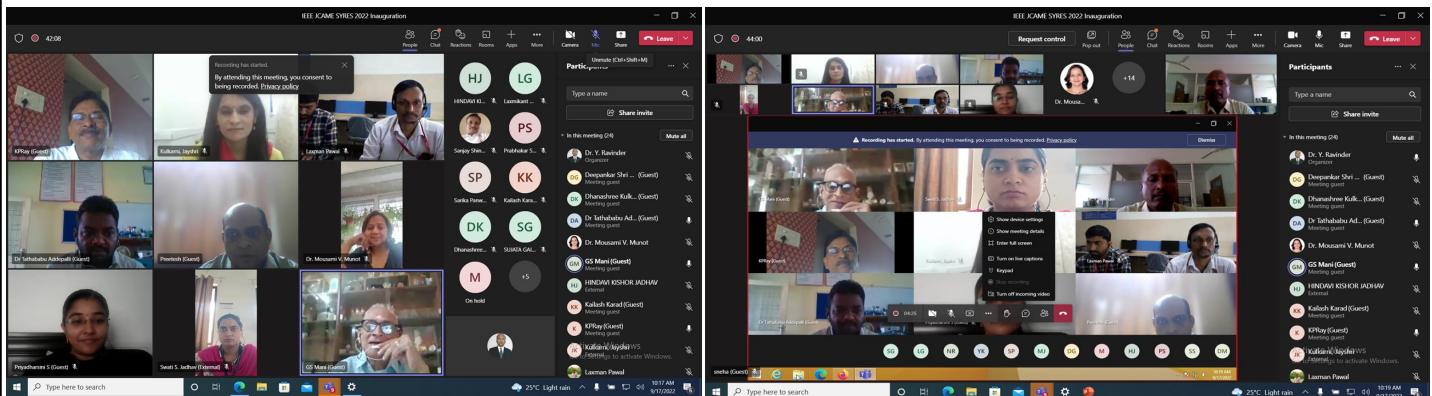

SYRES – 2022 (Symposium of Research Scholars)

SYRES – 2022, A Symposium of Research Scholars was organised by joint chapter of AP, MTT and EMC(JCAME) and IEEE Communication Society, IEEE Pune Section on 17th September 2022 at Pune Institute of Computer Technology, Pune in blended mode and conducted by Prof. Dr Yerram Ravinder, Vice Chair, JCAME, Organising Secretary, Dr. M. V. Munot, HoD, Dr. P. B. Pawar and Ms. K. M. Masal of PICT E&TE Department.

Key topics of the symposium were (but not restricted to) :

Microwave Communications, Components, Wave Propagation, Ultra-Wide Band Technology, Millimetric and Tera-Hertz technologies, Interference mitigation in Broadband/Wireless Communication systems, Use of AI/ML/DL in Communications, Multi-frequency and Broadband Antennas, 5-Gsystems and beyond, Signal Processing, Data Processing in Communications, Big Data and Data Analytics in Communication Components, Devices and Circuits for Communications.

Total take-away prize money declared was Rs. 25,000. Apart from prize winners, all participants were given 'Certificates of Participation'.

Joint Chapter of AP, MTT & EMC (JCAME)

**JCAME FIRST ANNIVERSARY PROGRAM
– 17th Sept 2022**

23 people attended the Anniversary program

JCAME conducted 27 events in its first year
(11 Tech; 14 Non-Tech; 02 Admin)

--- 11 Tech included 4 webinars, 2 Tech visits, 2 Symposia,
1 Tech interactive session & 2others

JCAME saw an increase of 250% in its first year
(from 17 in sept 2021 to 41 in Sept 2022)

--- About 40 % of members are women

IUCEE EXECUTIVE DIRECTOR VISIT

Leadership team of Indo Universal Collaboration for Engineering Education (IUCEE) **Prof Krishna Vedula, Executive Director, IUCEE, Mr Vasanth Marathe, Regional Coordinator** visited our institute. The visit was coordinated by Dr Y Ravinder and organized on 16th December 2022.

They interacted with our leadership team including Director, Principal, HoDs, and coordinating team of PICT IUCEE. MoU was signed for the collaboration activities in the field of engineering education.

PICT-IUCEE Centre for Innovative Teaching Learning (CITL) was inaugurated by **Prof Krishna Vedula**. He interacted with faculty members and students. He emphasized the importance of active learning and innovative pedagogical methods such as think-pair-share, project based learning, collaborative learning. He also guided the faculty members to adopt innovative methods in teaching learning ensuring the mantra of ‘I am teaching! Are the student Learning??’

Mr. Vasant Marathe thrown a light on Entrepreneurship.

Soft Skill Training for technical staff held on 22nd & 23rd July 2022. (10 hrs.)

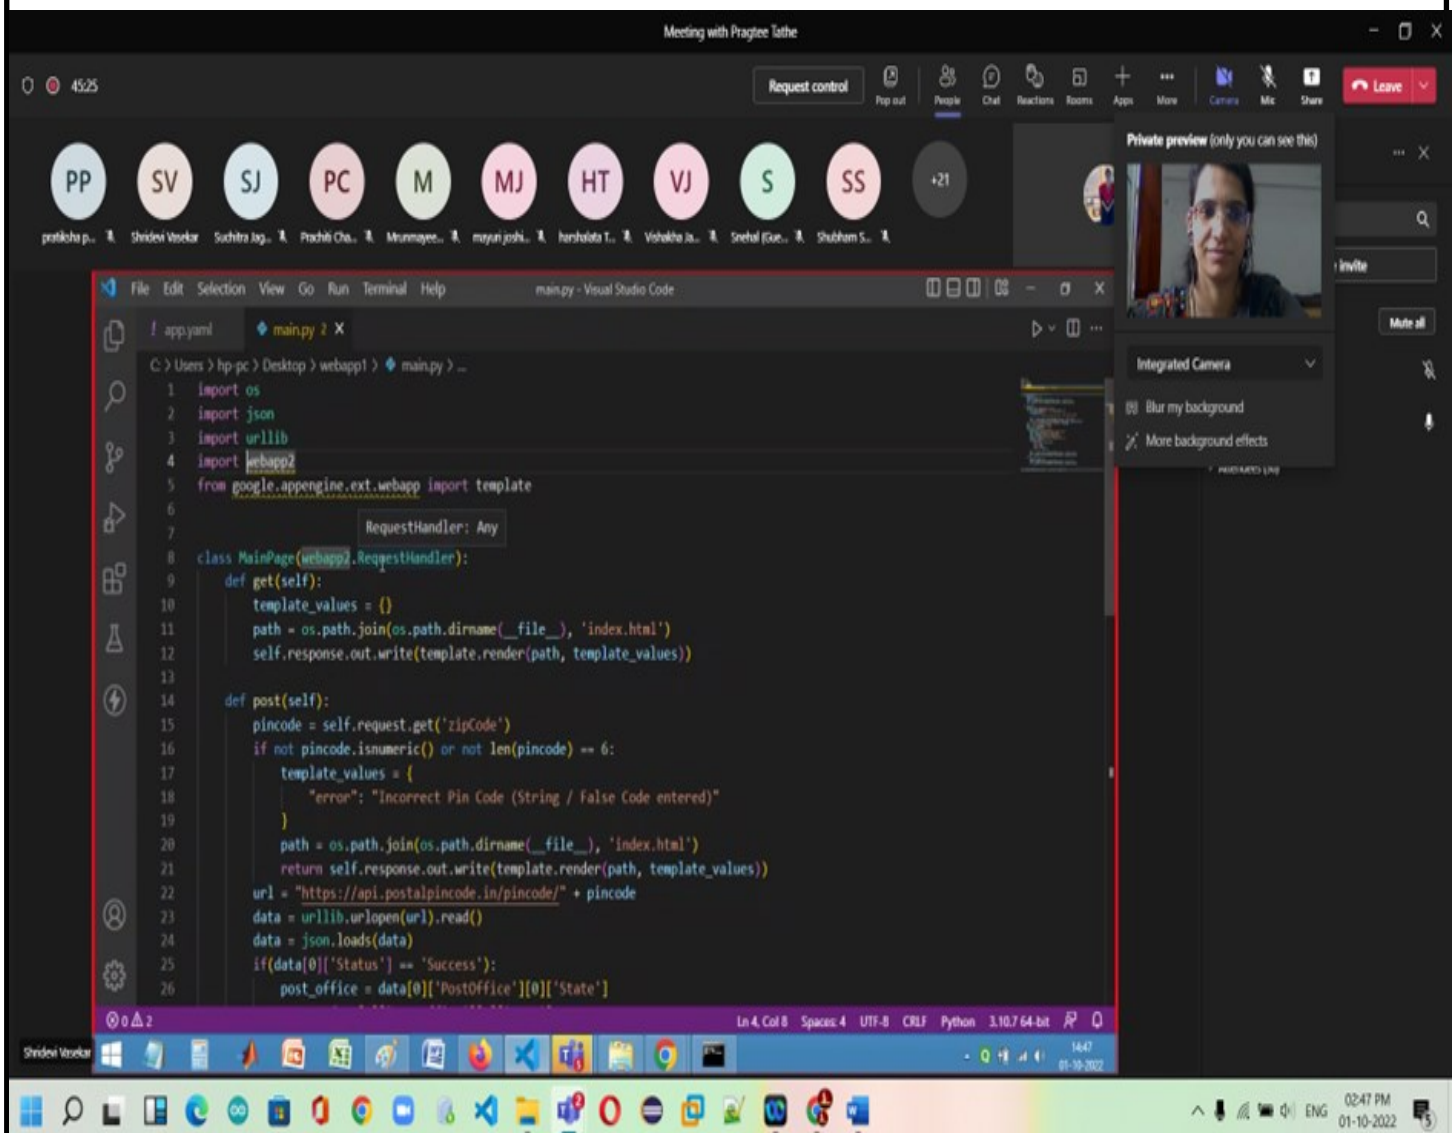

WORKSHOPS AND SYMPOSIUMS

Workshop on Lab Conduction of Cloud Computing

The workshop on laboratory conduction of cloud computing elective subject of final year was conducted for one week from 26 September to 4 October 2022. The resource persons for conduction were Ms Pragtee B. Tathe and Dr. S. S. Vasekar. Total 202 participants attended and successfully completed the workshop. The participants were the faculties from various engineering colleges under SPPU and other universities and students.

In this workshop, participants got the Hands-on experience on various concepts of cloud computing like installation of google app engine, web application launching on cloud, Virtual machine hands on, file transfer from one virtual machine to another virtual machine., web application launching on PaaS environment etc.

The screenshot displays a Zoom meeting interface with a code editor window open. The code editor shows a Python script named `main.py` with the following content:

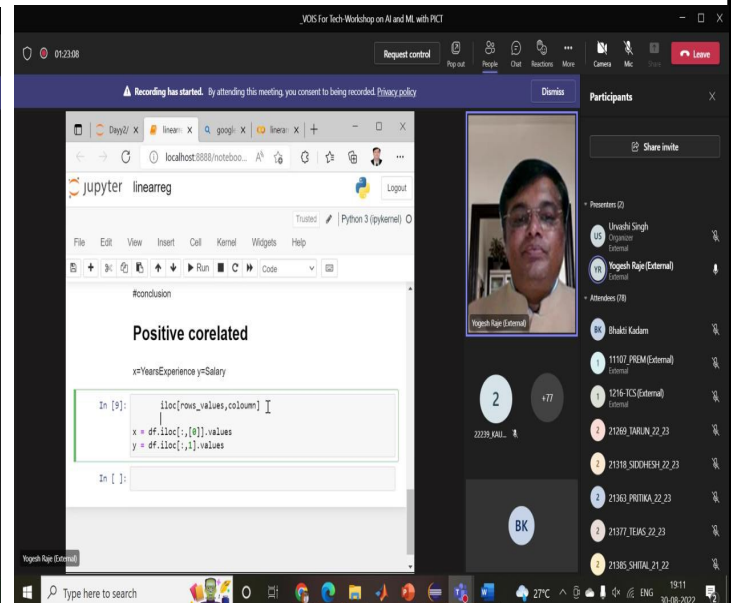

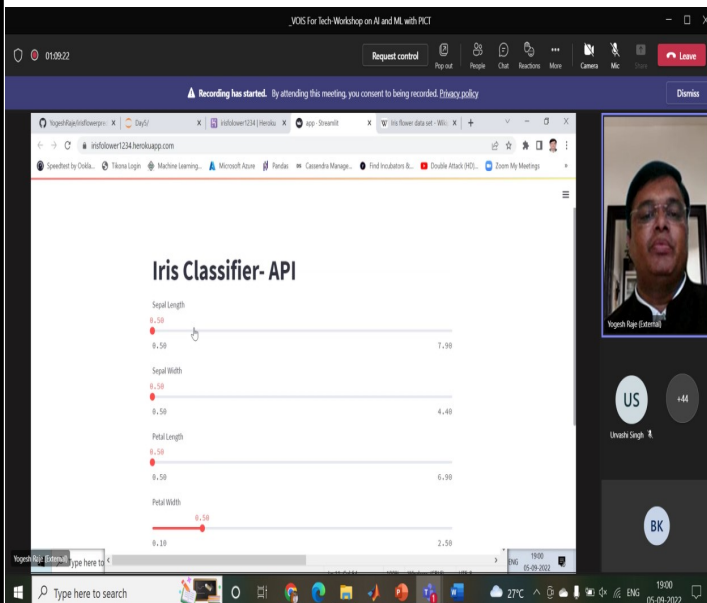

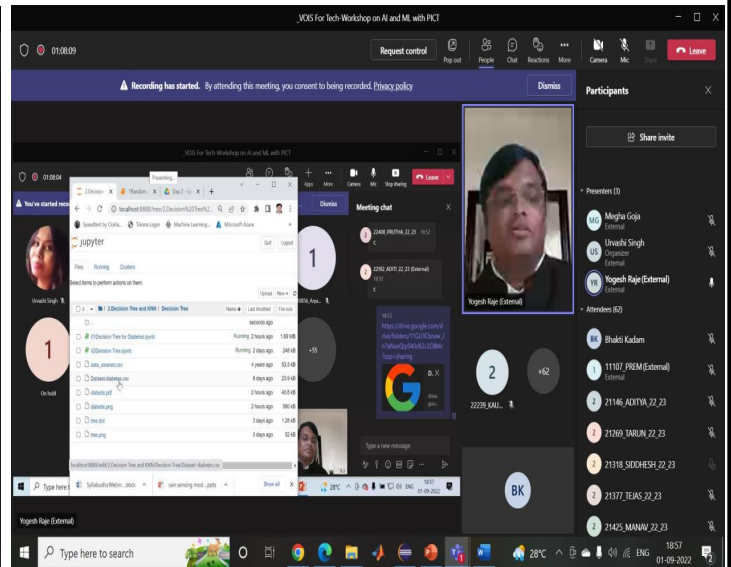

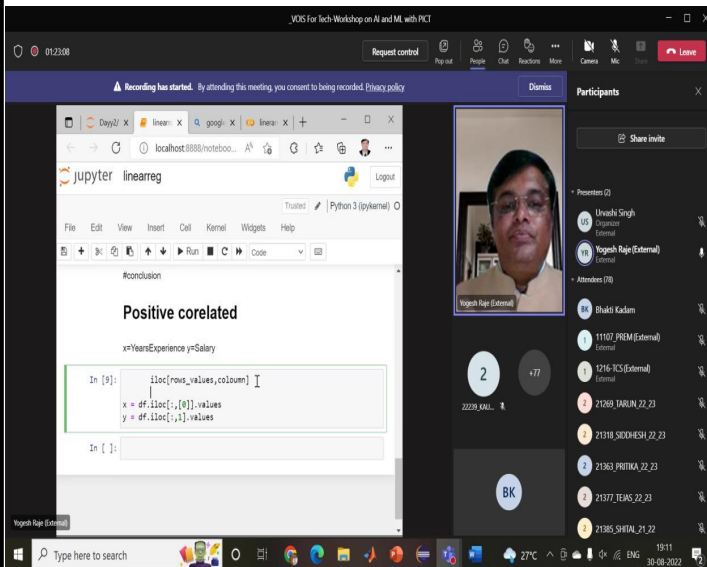

```
